## Bow

Paton Close, Fairfield Road  
London, E3 2QD  
T: 020 8980 0118  
www.bow-school.org.uk

Bow School is facing exciting changes. By 2014, when our Sixth Form opens, we will be in an inspiring state-of-the-art new building equipped with the latest technology that will support our students in fulfilling and exceeding their potential.

Sixth formers will have their own dedicated spaces for independent study in the new building.

We have extensive links with the business communities of the City of London and Canary Wharf. This gives our students the unique opportunity to be mentored in developing leadership and independent learning skills; essential in a successful 21st century citizen.

Our ethos is the confidence that every student will reach and exceed their **potential** leaving fully equipped with the skills needed to be successful citizens of the 21st century.

## Langdon Park

Langdon Park, Bright Street  
London, E14 0RZ  
T: 020 7987 4811  
www.langdonparkschool.co.uk

Langdon Park proudly serves the ambitious and creative young people in its community.

Our students attain very highly at GCSE, making progress well above national averages. This high success rate sees a year on year increase in the number of students going on to university, college and successful careers.

We are very proud of the academic progress made by our students, **significantly above national averages**, and often achieved despite quite challenging circumstances.

Our teachers have regularly taught AS, A Level and BTEC National courses. The creation of Sixth Form East gives us the opportunity to stay involved with the education of many more of our students as they prepare for university, apprenticeship or employment.

An ambitious rebuilding programme and the separate construction on site of a world-class Youth Centre, which our Sixth Form students will occupy during the day, provide us with fantastic facilities for learning.

## St Paul's Way Trust

St Paul's Way, 125 St Paul's Way  
London, E3 4FT  
T: 020 7987 1883  
www.stepneygreen.towerhamlets.sch.uk

St Paul's Way Trust is one of the 20 most improved schools in the country. It has new state-of-the-art facilities that promote engaging and exciting learning.

St Paul's Way is East London's University Trust School and this means we have excellent partnerships with Queen Mary, University of London; King's College, London; University of Warwick and the University of East London.

Sixth formers will benefit from these unique links both in their learning experiences and in their roles as future leaders.

Embedded within our Sixth Form offer is a strong emphasis on six key areas; **Communication / Investigation / Networking Participation / Scholarship / Vision.**

## Stepney Green

Stepney Green, Ben Johnson Road  
Stepney, London, E1 4SD  
T: 020 7790 6361  
www.spwt.net

Stepney Green School specialises in maths, computing and science and has been judged by Ofsted as outstanding.

Our aim is to enrich our students' learning experiences and inspire each individual to maximise their abilities and have a clear vision for their future.

We see our students as the leaders of tomorrow and the Sixth Form is at the heart of the school's aim in ensuring that our young people have the motivation, vision and skills to take their place in shaping society.

We provide students with **inspiring state-of-the-art facilities** which will **enrich** their learning experience.
