Chers Miloud & Victoria,

I'd like to thank you for coming to the Institut with your pupils yesterday.

We were delighted to welcome you all and the boys were really well behaved, I was nicely surprised to see how much they knew already about French cinema during the presentation. My colleague Nicolas who did the 'Sports in France' activity said he enjoyed interacting with the group too.

I hope they enjoyed the day and the film.

I hope to have the occasion to welcome you and your pupils again soon.

Merci beaucoup et bonne fin de semaine,  
Agathe
