

12th March 2023

Industrial Strike Action: 15th & 16th March

Dear Parents/carers,

I hope this letter finds you well. I am sorry to have to write to you again in relation to the ongoing industrial action by the National Education Union (NEU).

You will remember that this planned action, was for four days, initially, with the third and fourth day planned for this week on Wednesday 15th and Thursday 16th March.

Unfortunately, at the time of writing, limited progress has been made in the dispute and the as a result, it looks highly likely that industrial action will go ahead as planned. Therefore, I am writing to update you on the arrangements which will be in place for the two days of action, this week, which will be the same as other days of action. (See below)

However, please note that due to the tube driver's strike taking place in the middle of next week. The school will only be open, to students, from 10am. This will enable those staff who are working, but effected by the action to make their way into work.

Arrangements

School will be open to the following students only:

- Vulnerable Children (i.e. those with an EHCP or receiving support from Social Services) – The school will contact you directly if this applies to your child.
- Students in Y11 and Y13 – School facilities will be available for supervised study.

The school will be closed to all other children

As previously, work will be uploaded to Google Classrooms for all children in all years.

Please be assured, as always, that Bow School remains committed to providing a safe and secure environment, delivering high-quality teaching and exciting and engaging learning opportunities for all of our young people.

I continue to work closely with our staff union representatives to keep up to date with the situation, and I will inform you as soon as possible if arrangements change further.

If you have any questions, please contact enquiry@bow-school.org.uk

Yours Sincerely,

Mr D Lye
Headteacher
