There is nothing specifically that you have to buy. We provide MFL students with the best and most accurate way to revise for their exams using their accounts on Active Teach where they don't only complete their weekly homework. They also have access to all lessons we do in class in their E-book following step by step all exercises, listening tracks, reading texts among other activities. They can re-visit topics done and activities and if for any reason they are ill or working from home they can follow the full GCSE course in preparation for their exams.

We provide students a booklet as well that contains grammar exercises to reinforce and consolidate their learning. The booklet has translation activities, essential skills to answer specific questions in the reading and writing papers.
