

PARENT SURGERY FEEDBACK

During the Parent Surgery event on 28.03.2018, 8 Parents were presented with a number of reports to look at and asked to:

1. Identify the report they liked most
2. Suggest ways to improve reporting to parents at Bow school

Parental feedback indicated that:

1. Most were happy with Bow Report (Receiving Report card regularly was much appreciated) and found the information useful.
- 2.a They would like to see the following improvements in terms of the Subject/ Report:
 - Streamline the comments (perhaps in terms of bullet points of key areas of performance)
 - Be clear about what they can do to help the child
 - Have a parent reply slip at the back of the report
- 2.b They would like to see following improvements in terms of the Tutor/YLM Report:
 - Effort comment /grade
 - Achievement comment/grade
 - Attendance %
 - Homework comment/grade
