# KS3 Pathways Process

- During Year 9 all students will need to make a decision about the subjects that they will want to continue to study
- Key dates =  
Weds 6<sup>th</sup> February :  
Pathways Evening for Parents  
Spring Half term (18<sup>th</sup> – 22<sup>nd</sup> Feb) :  
Parents/students consider Pathway choices  
w/b 4<sup>th</sup> March :  
All Pathways paperwork returned to YLM for processing

- All students will continue to study English, Maths, Science and PE but will have to make a decision about 4 other subjects they would want to study

- There is a broad range of choice to include traditional KS3 curriculum subjects alongside specific KS4 subjects

- Students in Year 9 have already been involved in some level of curriculum choice as a result of their selection of “Carousel” subjects (3 subjects from a list of 5 = Art, Drama, DT, ICT and Music)

- Parents and students should always be considering/balancing three key factors :

1. What subjects would be appropriate for my child's future career

2. What subjects are they currently doing well in

3. What subject(s) does my child like doing

- The support for this crucial decision has already started (in class, in assemblies, during tutor time etc).

# Parent Power

Aiming to establish a group of parents who would like to take an active and regular role in the various events and activities that take place in the school throughout the course of the year.
